Host a HopeChild Sponsorship event

Engage hearts for lasting change

Looking for ways to keep your church engaged after your Caregiver Kit event? Consider hosting a HopeChild Sponsorship event. It's a great way for church members to:

- **Continue** their active role in fighting global poverty and the AIDS crisis
- **Begin** a one-to-one relationship with a child in need
- **Provide** long-term help
- **Learn** even more about God's heart for the poor

A child sponsor's monthly gift of \$35 will provide a child in an AIDS-affected community with ongoing access to resources like basic health care, improved nutrition, school fees and materials, job training, counseling, and age-appropriate HIV-prevention education based on biblical principles, as well as assisting his or her family and community.

3. **Show** a compelling sponsorship video (from your Caregiver Kit Event DVD)
