Team World Vision Donors:

Thank you for helping to change the lives of vulnerable children around the world by supporting World Vision's work. **The easiest and most efficient way to donate to World Vision on behalf of your athlete and help them reach their goal is to visit www.teamworldvision.org/donate.**

If you would prefer to write a check, please make it payable to World Vision, and **mail it to the athlete** you are supporting. Your athlete will then update their personal fundraising webpage, and send the check to our office.

World Vision will send you, the donor, a tax deductible receipt.
